PARKING INSTRUCTIONS

We offer free, covered parking at the Pacific Street Garage located at 100 Washington Street, Stamford, CT.

- Notify the parking attendant via intercom that you have an appointment at **SkinLab** (if the gate is down). The attendant will open the gate for you.
- Park on the first, second, third or fourth parking level.
- Walk towards the glass doors shown but do not enter those glass doors.
- Rather, you will see a door on your left that is labeled "Access to Street". Enter that door.
- Walk down the stairs to the *first* floor if you parked on an upper level. Then turn down the hallway to access the street on the first level. Once outside, take a right.
- Follow the sidewalk for a brief walk to the corner and then make another right; **SkinLab** will be on your right at the next corner at 24 Harbor Point Road (across from Fortina Restaurant).

...Welcome to SkinLab!
