RADIANCE+ TREATMENT \$325

This ultimate exfoliation treatment combines dermaplaning to gently remove peach fuzz and dead skin cells with a gentle gel peel to help refine pores, leaving you with baby-smooth, glowing skin.

THE BLEMISH-RELIEF TREATMENT \$215

Stop a pesky breakout in its tracks with this calming combination treatment. LED Light Therapy helps to clear acne-causing bacteria while our Phyto Masque reduces redness and soothes inflammation.

LASER GENESIS \$450

This downtime-free laser is perfect for boosting collagen production, minimizing pores, and brightening the skin.

THE WEEKENDER \$550

This specialized treatment includes our collagen-boosting laser, Laser Genesis, and our 24-karat gold micro-infusion, AquaGold, to tighten and brighten the skin so you have a dewy glow for any weekend or occasion.

THE GLOW & GO HYDRAFACIAL \$245

Perfect for on-the-go patients who want a deep cleanse. Using a unique, patented Vortex-Fusion delivery system, this HydraFacial exfoliates, extracts, and hydrates skin.

JESSICA BERGQUIST LEAD MEDICAL AESTHETICIAN

Jessica Bergquist Romanzi is an awarded master aesthetician. Jessica studied at Catherine Hinds Institute of Esthetics in Massachusetts. Prior to NicholsMD, she was an aesthetician in Manhattan for seven years.

At NicholsMD, she has become famous for her hands-on facial massage and her gentle yet effective custom facials that yield natural, radiant results to clients of all ages. Jessica holds certificates in chemical peels, microcurrent technology, advanced facial massage, gua sha facial sculpting, and microdermabrasion.

CASSIE JONES LICENSED MEDICAL AESTHETICIAN

Cassie Jones is a licensed medical aesthetician on both our NicholsMD and SkinLab teams. Cassie studied at the New York School of Esthetics. She holds certifications in advanced treatments such as microdermabrasion, chemical peels and gua sha facial sculpting.

At NicholsMD, patients love coming to Cassie for her specialty in acne-treating facials. Her vast product knowledge makes her excellent at putting together skincare regimens for all skin types and tones.

FACIALS

AGE-DEFENSE FACIAL \$250

Smooth, calm, and lift the skin with this anti-aging facial. Diamond tip microdermabrasion, anti-aging facial massage, and LED light therapy are combined for the ultimate collagen stimulation.

GENTLEMAN'S FACIAL \$265

Look rested and rejuvenated with this customized facial for the modern male. Includes deep cleansing, extractions, exfoliation, and hydration for a total skin refresh.

THE GREENWICH GLIDING FACIAL WITH LYMPHATIC DRAINAGE \$350

Our Purifying Hydrafacial® with the addition of high pressure suction applied to manually massage and drain lymph nodes. This treatment is not only relaxing, but helps improve circulation, detoxify, lift, and tone the skin.

NICHOLSMD SIGNATURE FACIAL \$300

This signature facial is the ultimate Trifecta. By the end of the treatment, your skin will be exfoliated and glowing from a light acid peel, hydrated from our oxygen facial, and calmed by a soothing LED Light Therapy treatment.

OXYGEN FACIAL \$265

Oxygen under light pressure aids delivery of age-defying ingredients into the skin while giving off a cooling and calming effect. This powerful combination will leave your skin looking younger, brighter, and more luminous.

PURIFYING FACIAL \$235

This facial includes exfoliation, a deep cleanse, extractions, high frequency currents, and a detoxifying masque to help draw out impurities. As a finishing touch, LED light therapy is used to help reduce inflammation and kill acne-causing bacteria.

PURIFYING HYDRAFACIAL® \$250

One of our most requested treatments, this versatile facial uses a unique, patented Vortex-Fusion delivery system to deliver nutrients to the skin. Simultaneously exfoliate, extract and hydrate with this revolutionary treatment.

SEAWEED FIRING FACIAL \$245

This facial uses natural Seaweed and Wakame Kelp extracts that rejuvenate the skin at a cellular level, stimulating collagen and elastin synthesis in the skin. Seaweed is also beneficial in brightening dull skin and reducing inflammation for a naturally lifted appearance.

TEEN FACIAL \$210

Let us address your teen's concerns with a customized gentle facial that will speed up improvement of their acne. Extractions and LED light are included to help clean pores and reduce inflammation.

THE "J-GLOW" EXPERIENCE \$350

The ultimate gala ready treatment, this power-house facial combines an exfoliation to remove dead skin, microcurrent to lift and sculpt facial muscles, and an oxygen infusion under LED light to hydrate and boost collagen.

THE BOUTIQUE UPLIFT FACIAL \$285

Experience ultimate relaxation with this luxe facial. With a focus on gua sha techniques and uplifting face, neck, and décolleté massage, this facial helps to de-puff, lift, and sculpt the face, as well as aid in lymphatic drainage.

THE ULTIMATE BRIDAL COLLECTION \$295

A facial designed to get you wedding ready combining the results-driven and relaxing techniques of The Boutique Uplift Facial and NicholsMD Oxygen Facial. gua sha lymphatic drainage, de-puffing cryo massage, sculpting techniques, and hydrating oxygen antioxidant infusion will get you glowing for the big day. Safe to do even the day before your wedding.

WET-DIAMOND TIP MICRODERMABRASION HYDRAFACIAL® \$275

Our Purifying Hydrafacial® with the addition of wet-diamond tip microdermabrasion for deep exfoliation and skin rejuvenation.

MICROCURRENT \$225

This treatment uses completely safe and painless low-level electrical impulses to repair damaged skin, stimulate collagen and elastin production, contour, uplift, and tone the face as a whole.

MICRODERMABRASION \$185

This exfoliating treatment uses a coarse-tipped wand in a non-invasive way to remove superficial surface layers of skin and help get rid of dark spots for a bright, youthful, and even skin tone.

MICROPEEL \$250+

A dual action treatment combining microdermabrasion as mechanical exfoliation, followed by a light acid peel for chemical exfoliation, helping to smooth texture, reduce fine lines, lighten acne scarring and hyperpigmentation, and even skin tone.

CHEMICAL PEELS

ADVANCED CORRECTIVE PEEL \$330

A powerful blend of acids in this peel work together to help smooth fine lines, refine the appearance of pores, and diminish discoloration.

GEL PEEL \$182

Mild yet effective, this light acid peel combines several acids that work to hydrate, retexture and brighten skin.

GLYCOLIC PEEL \$204

Exfoliating and brightening, this pure Glycolic acid peel works to stimulate cell turnover revealing glowy, smooth skin.

PIGMENT BALANCING PEEL \$248

This peel helps to even out skin tone, improving pigment-related issues such as photodamage and acne scarring.

PORE-REFINING PEEL \$204

This 20% salicylic peel helps to kill acne-causing bacteria and reveals a brightened, more even skin tone.

TCA SMART PEEL \$500

Our strongest chemical peel, the TCA peel goes deeper to help smooth texture, fine lines, refine pores, diminish stubborn discoloration, and brighten skin.
