

WELLNESS RECOMMENDATIONS

NUTRAFOL FOR MEN

The ingredients in Nutrafol promote healthier hair and improve general wellness.

PLATED EXOSOMES FOR HAIR

This powerful nighttime hair serum helps to increase the appearance of hair's density, thickness, volume, and overall appearance.

NICHOLSMG GENTLE SHAVE CREAM RX

Dr. Nichols developed this shaving mousse to help eliminate skin irritation and razor burn.

VITAMIN IV TREATMENTS

A mixture of essential vitamins and minerals is administered intravenously to help hydrate you after a work trip, pesky illness, or long weekend.

SERVICES FOR MEN

At **NicholsMD of Greenwich**, your comfort and care is our priority. Our boutique provides you with the most exclusive personalized care from board-certified dermatologist, **Dr. Kim Nichols**, and her professional staff.

NicholsMD of Greenwich is conveniently located in close proximity to the Greenwich Train Station, Downtown Greenwich, and Westchester County, NY. **NicholsMD of Greenwich** is only 40 minutes by train or car from New York City!

KIM NICHOLS, MD, FAAD

Kim Nichols, MD, FAAD is a Harvard-trained, board-certified dermatologist that treats for both medical and cosmetic skincare concerns. She has been recognized worldwide for her artistic expertise in administering injectables that yield natural looking results for patients to look and feel their best.

Dr. Nichols practiced in New York City for seven years prior to founding **NicholsMD of Greenwich** in 2013, where she and her team deliver "a luxurious Manhattan experience" without the drive into the city.

Appointments are available

POPULAR TREATMENTS FOR MEN

PRP INJECTIONS FOR HAIR GROWTH

PRP injections can harness the power of your body's powerful natural growth factors. This is our non-surgical solution to fuller, thicker hair!

Before PRP Therapy After NicholsMD

KYBELLA

Kybella is an injectable treatment that helps the body to dissolve fat in the treated area. For men, the most popular treated area is the double-chin area.

Before Kybella After NicholsMD

BOTOX® (AND OTHER WRINKLE REDUCERS)

Nearly 7 million Botox procedures were done last year. With our conservative approach, you'll look well-rested without looking like you had work done.

Before Botox® After NicholsMD

COOLSCULPTING

CoolSculpting is our #1 non-invasive fat reduction procedure. CoolSculpting works by using controlled cooling to safely target and remove diet- and exercise-resistant fat.

Before CoolSculpting After NicholsMD

EMSCULPT

This is the world's only procedure that simultaneously builds muscle and breaks down fat. Emsculpt delivers results in the treatment area by metabolizing fat and building muscle.

Before Emsculpt After NicholsMD

REDNESS MINIMIZING LASER

Facial redness is a top complaint of our male clients. This 20-minute laser calms facial redness and tightens pores without any downtime.

Before Laser After NicholsMD

AVICLEAR

AviClear is the first FDA-approved laser device for the treatment of active acne. Engineered with innovative wavelength, this laser works to minimize acne at the source by selectively targeting and suppressing the sebaceous gland safely and effectively.

NEW! TESTOSTERONE REPLACEMENT THERAPY

Struggling with low T-levels? Our team offers bioidentical hormone replacement therapy using pellets to help improve energy and focus, optimize metabolism and strength, boost mood, and enhance sex drive.

CHISELED JAWLINE PACKAGE

Get a stronger, more defined jawline with this combination treatment.

LASER HAIR REMOVAL

Remove unwanted hair with our state-of-the-art laser device. Spend less time shaving, and more time living your life confidently.

HYDRAFACIAL FOR HIM

This versatile facial uses a unique, patented Vortex-Fusion delivery system to provide a deep cleanse, removing excess dirt and oils from pores and extracting blackheads, while also hydrating the skin as a whole and infusing nutrients to the beard and mustache areas for healthier facial hair.

FULL BODY SKIN EXAM

Skin cancer is the most common form of cancer in the United States. We recommend at least one full body skin screening each year to keep your skin healthy and cancer-free.

NO-SWEAT INJECTABLE TREATMENT

Excessive sweating, or *hyperhidrosis*, can be a debilitating condition that interferes with daily living. From sweaty palms to clothes that are soaked through at the underarms, those suffering from hyperhidrosis can find tremendous relief with our 15-Minute No-Sweat Injectable Treatment.

THE MALE EXECUTIVE PACKAGE

This natural-looking, anti-aging treatment plan specifically addresses hair, the upper face, and stomach so you can look rested, youthful, and toned without appearing 'done'.

SEMAGLUTIDE

This injectable weight loss prescription regulates your appetite and controls blood sugar levels to help you lose stubborn weight and keep it off for good.

TIRZEPATIDE

This injectable weight loss prescription level ups your weight-loss to help you achieve your goals more effectively.
